

**HOLT CLASSIC & RESTRICTED CHALLENGE

1. Purpose

- 1.1 The Draft for the Holt Classic & Restricted Challenge is open to all Bowlers who have completed the roll-off in the zone where they reside but failed to make the Team.

2. Objectives

- 2.1 To provide players from States where there are many qualifiers an opportunity to compete in this competition.

3. Procedure

- 3.1 Applicants must fill in the attached form providing scores and final standings of their own zone roll-off and personal details. The applicant must also have their draft application form signed by an authorised member of their zone Holt Committee.
- 3.2 All draft applicants must understand that if they are successful in the draft, they must pay travel expenses to the competition and any other expense to the zone for who they are competing as required.
- 3.3 During the actual competition, all successful drafted bowlers must be part of that team and take directives from appointed Team Officials.
- 3.4 Applicants to be included in the draft must complete the application form and email to: nationalholtsecretary@gmail.com
- 3.5 Applications must be lodged no later than 7.00pm (AEST) on **Tuesday 26th March 2024.**

4. Draft Guidelines for State, Territory & Zone Associations

- 4.1 Draft nomination forms are for circulation to all players who were not successful in their home zone roll-off.
- 4.2 These forms should be circulated to and promoted to your players as an opportunity for advancement in the sport.
- 4.3 A Zone Committee responsible for the selection of teams may call upon the draft to fill any team, providing the criteria as defined here are observed. The Holt Challenge Draft Committee will keep a register of those bowlers who nominate for the draft. Once the closing date for those nominations has passed, the Holt Challenge Draft Committee will offer draft players to those Zone Committees who have expressed an interest in procuring a player, based on the following procedure:
- 4.3.1 The register of bowlers will be sent to the State/Territory/Zone that finished lowest in the results of the previous year's event.
- 4.3.2 The Zone Committee will make their selection, contact the bowler and if the bowler agrees to join them, advise the Holt Challenge Draft Committee to remove that bowler from the register.
- 4.3.3 If a bowler selected by a zone refuses to bowl for that zone, then they will be removed from the Draft listings and thus be made ineligible for drafting into any other team.
- 4.3.4 The Holt Challenge Draft Committee will send the amended register to the next lowest finishing.
- 4.3.5 The above process will continue as required.
